Download Gulliver S. Travel Movie Torrent 1080p Gulliver's Travels Gulliver's Travels is a best-selling book by Jonathan Swift published in 1726. It is the first work of satirical fiction published in the English language. The work is considered a classic and has been the inspiration for numerous adaptations over the years. The book was originally written as a satire of an early voyage to the East Indies and was first published in an 8vo, 28-page edition, priced at 7 shillings. Swift wrote it as a story for .Herbert T. Knauper, "Lemuel Gulliver, the first American author", The Annals of Letters of the American Anti-Slavery Society, 1829–1873, Volume 1, p. 153 A different edition appeared in 1735, which included numerous corrections and revisions. The text is in the style of the great canon of English satire , who acknowledged that Gulliver was intended as a parody of voyages of discovery. The "Travels" satirize the disastrous European European voyages to the East Indies, and demonstrate that the threat of the East is overstated, and so it is a parody of both voyages of discovery and travelogues. Gulliver's Travels is a collection of seventeen short stories within a fictional fiction, detailing the fantastic voyage of a fictional Englishman, Lemuel Gulliver, in the land of Lilliput and the many monstrous races. The Lilliputians are miniature people, about five feet high. Each country is ruled by a king or queen, and a single pair of Lilliputians live in the king's palace. Each ruler's power depends upon the subjection of the entire population. The protagonist of the stories accompanies a trade delegation to visit the homeland of an island named Brobdingnag, which is a vast island in size and its people range in height from seven to twenty two feet. The narrator, Lemuel Gulliver, grows up in England during the reign of George I and at an age of around thirteen, is hired by a ship captain to accompany him on a journey to . Swift was the tutor of the future king, King George II. By Gulliver's account, he is a faithful servant and a very bad sailor, and the journey is a disaster, notwithstanding the truth of the matter. In the first story, Gulliver is shipwrecked in the
