I am planning to buy a 2020 iMac 5K and I am also planning to start a vray rendering course. I would like to know if there is any useful information on how to tweak the settings to get the most out of my configuration. This will be very difficult as I have never used this platform and as this is my first time using it I am not very sure what to do. I'm really nervous. I would also like to know how
